ABOUT US

DK Fiberglass Industry, established in 2015, is a prominent manufacturer and exporter of FRP Sheet, FRP Components, and insulating products. Our specialization in FRP Epoxy Sheet, FRP Block, and other products ensures compliance with global standards, offering premium materials and customer-centric services. Catering to diverse sectors including electrical, electronic, and construction industries, our range emphasizes quality and reliability to meet the evolving needs of our clientele.

We prioritize quality assurance to ensure customer satisfaction and loyalty. We adapt to industry changes, catering to custom needs in product specifications, packaging, and labeling, supported by efficient logistics for timely delivery and year-round inventory maintenance.

Modern Infrastructure: Investment in a sophisticated facility with distinct operational units and advanced machinery like 3 CNC router machines and many more., managed by an expert team.

Quality Assurance: Adherence to stringent parameters for products and services, with continuous refinement of methods to boost productivity, reduce costs, and meet industry benchmarks.

OUR CLIENTES

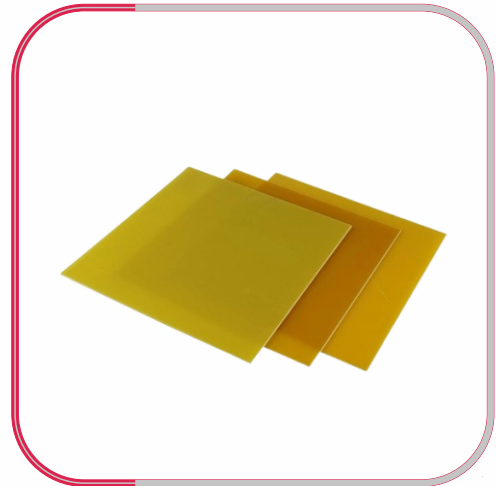

Dedicated to achieving unparalleled client satisfaction, we rigorously uphold stringent quality standards, punctuality in delivery, and ethical business conduct. Operating within a state-of-the-art manufacturing facility manned by proficient professionals, we guarantee timely consignment delivery. Our transparent transactions and client-centric ethos have garnered the trust of a world wide clientele, epitomizing our unwavering commitment to excellence.

PRODUCT DETAILS

We are a leading Manufacturer & Exporter of Fiberglass Components such as FRP Step Block, FRP Strip, FRP Sheets, Fiberglass Ring, FRP Spacer Block ,FRP Step Block & Spacer and many more items.

FRP GPO3/ Polyester Sheet

FRP EPOXY FR-4 V0 GRADE

FRP EPOXY G10 GREEN SHEET

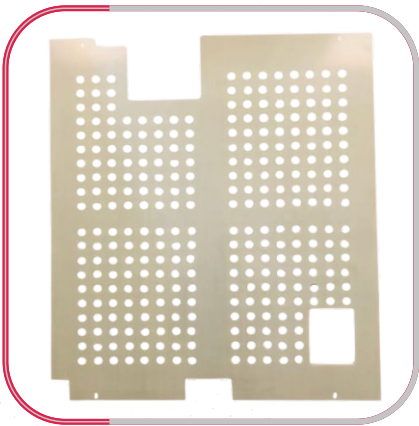

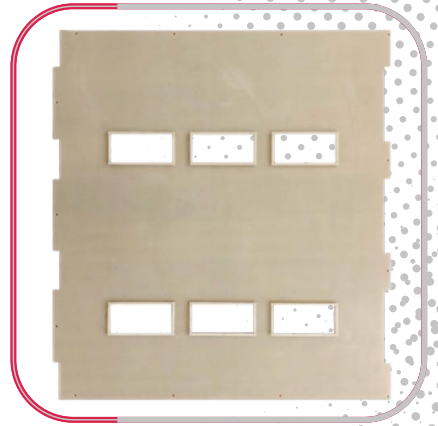

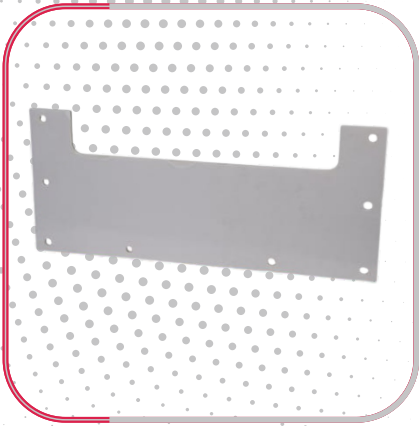

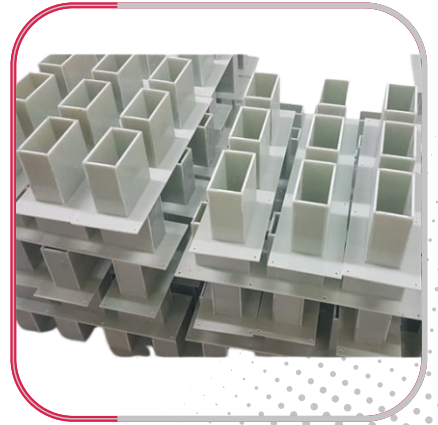

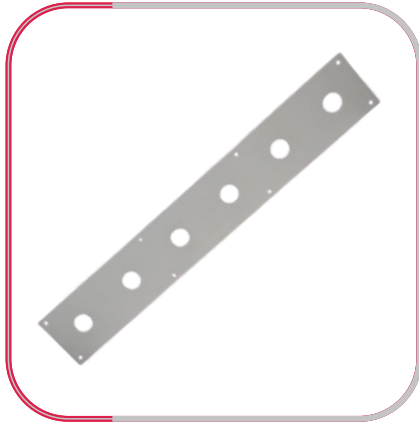

FRP EPOXY G10 CNC Machined Components
